

# Gymnastics Insurance Landscape Changing Nation-Wide

## ***A Message from Gymnastics BC:***

Gymnastics BC is Adapting to New Insurance Requirements

Due to changes in national insurance coverage for gymnastics activities, effective July 1, 2019, Gymnastics BC will no longer permit the use of trampolines (see [definition](#)) in unstructured recreational programs, such as birthday parties and drop-ins.

Please review the [Trampoline Insurance Limitations web page](#) for full details.

## ***Message from Celestina Popa Gymnastics club:***

### **What Do these Changes Mean for You?**

On behalf of **Celestina Popa Gymnastics**, we would like to thank you for your ongoing support.

As you may have already heard, insurance changes are coming into effect that will limit the activities in which trampoline usage is permitted.

Effective July 1, 2019, trampoline usage will no longer be permitted during unstructured programs, such as birthday parties, and drop-in activities. **The use of trampolines will be permitted in structured programs (meaning during classes), providing all policy requirements are met.**

We are confident that these changes will bring increased safety and awareness to our sport.

Our coaches and staff will continue offering fun and challenging activities during birthday parties, using our equipment (floor, uneven bars, beams, vault, rope, BOUNCY CASTLE, etc.), without using the trampoline.

For more information, please visit the [Trampoline Insurance Limitations web page](#).

If you have any questions, please contact **Celestina Popa Gymnastics**. We value your thoughts and feedback.

Your patience and understanding are greatly appreciated as we navigate through the changes together.

Kind regards,

**Celestina Popa Gymnastics**
